

Individual Narrative of Jane⁷ Palmer Hedenberg [152] Infant daughter of James VanAlst Hedenberg and Elizabeth⁶ Leverich [61]

Jane Palmer Hedenberg was born on 3 Dec 1804 at Newtown, Queens Co, New York. The birth date is a calculated date based upon Jane's age at the time of her death.¹

Jane died as an infant on 14 Sep 1805 at Newtown, Queens Co, New York, age 9 months 11 days. Jane was buried at the Leverich Family Burial Ground in Queens County.²

The James Van Alst Hedenberg family had a burial plot at Mt. Pleasant Cemetery, Newark, Essex Co, New Jersey (Section H, Lot 45, purchased by Richard L. Hedenberg in 1855). The family lot includes a stone marker memorializing Jane Palmer Hedenberg, and several other family members that had been buried in locations other than Mt. Pleasant.³

Jane Palmer may have been the Jane Fish, born in 1721 daughter of Jonathan Fish, who married Charles Palmer. Charles Palmer and Jane Fish were the parents of Jacob Palmer, who was the father-in-law of Col. Edward Leverich. Edward Leverich was the brother of Elizabeth Leverich Hedenberg, the mother of Jane Palmer Hedenberg. Edward's first wife was Elizabeth Palmer, and they gave four of their children "Palmer" as a middle name, i.e. Jacob Palmer, Anna Palmer, Jane Palmer, and Charles Palmer.⁴
