

Individual Narrative of Sipeann⁷ Leverich [221] Daughter of John⁶ Leverich [102] and Mary Brundage

Sipeann Leverich was born on 9 November 1812 at North Castle, Westchester Co, New York, the daughter of John Leverich and Mary Brundage. The birth date is a calculated date based upon Sipeann's age at the time she died. It is noted that Mary Brundage would have been 46 years old in 1812, with an eleven year gap since her last birth, i.e. Caleb Leverich born in 1801.^{1,2}

Sipeann Leverich died on 25 September 1815 probably at North Castle, Westchester Co, New York, at the age of 2 years, 10 months, and 16 days as reflected by her gravestone at the Shrub Oak Methodist Church Cemetery in Yorktown, Westchester Co, New York. The dates on the contemporary gravestone (2011) are no longer legible. The dates used in this narrative are based upon a 1907 transcription by Robert B. Miller, at which time the gravestone was likely more readable.^{3,4}
